

## **Dance Masters Pacific Coast - Chapter #1**

**Affiliated with Dance Masters of America, Inc.**

### **Junior Membership**

**February 1, 2018 – January 31, 2019**

Dance Masters Pacific Coast (DMPC) is proud of our new Jr. Membership Program for students ages 13 - 20. Membership in this group gives the serious dancer an opportunity to further their dance training. This is a new and exciting part of our chapter and is still a “work in progress.” Our goal is to make this program accessible without being an overwhelming addition to an already packed competition dancer’s schedule.

Jr. Members will have additional opportunities, as well as responsibilities, at our Regional PAC Competition/Convention in March and DMPC’s Fall Intensive. Volunteer hours will be received for their service. They will have the opportunity for special classes and events open only to DMPC Jr. Members. All Jr. Members will have access to the DMA Syllabi (personal syllabus’ can be purchased through the DMA website) and review sessions to prepare them for Certification required for full membership.

#### **Criteria for applying for Jr. Members is as follows:**

- Must be a student of and recommended by a DMA member in good standing.
- Must uphold themselves to the highest DMPC and DMA standards.
- Must complete the application and pay fees online by the posted deadline of January 31, 2018.
- Must agree to the following listed guidelines and complete responsibilities cheerfully and cooperatively.
- Must be a mentor and role model in the highest standings for all DMPC and DMA students.

***To help build this program, we ask that each DMPC Member nominate 1-3 dancers for participation.***

**Annual Junior Membership Fee – (February 1, 2018 –January 31, 2019) is \$40.00 and includes:**

- Exclusive DMPC Jr. Member T-Shirt - received at the PAC
- Jr. Member Certificate
- Additional education opportunities during Conventions
- Special recognition of their Membership during all DMPC events
